4th Upstream Operational Excellence Awards

The Egypt Oil & Gas Committee launched its first edition of their Upstream Conventions in January 2018 with the objective of promoting best practices and new technologies in the Egyptian upstream oil and gas sector. Under the high patronage of H.E. Tarek El Molla, Minister of Petroleum and Mineral Resources, the fourth edition of the event, to be held in April, aims to highlight operational excellence in Egypt's oil and gas brownfields as means of sharing successful approaches and inspire new practices in operations throughout the country.

The Upstream Convention is held annually as part of the EOG Committee's vision of moving the petroleum industry forward and helping Egypt in its ambition of becoming a regional energy hub. The 2021 Upstream Convention will see the EOG Committee, along with H.E. The Minister of Petroleum and Mineral Resources, present the third annual Upstream Operational Excellence Awards to recognize value-added work in two categories. The submissions should highlight the outstanding performance of collaborative teams who brought forth the best operational projects developed in Egypt's fields. Two awards will be recognized for each the following categories.

Category 1: **Operational Excellence in Brownfield**

Category 2: **Outstanding and Impactful HSE Projects**

We encourage you to submit an entry for the Upstream Operational Excellence Awards and enjoy the opportunity to have your best practices shared with industry leaders and decision-makers. Entries should be submitted by **March 1st, 2021**.

Submission Requirements

Eligible submissions should meet the following specifications:

- Approval of all company management is required (JV, IOC, Service company)
- Projects or practices submitted must be already concluded
- Projects/practices' monitored values and methods of calculation must be specified in the submission
- Multiple submissions are allowed
- Submission must be supported with graphs/images
- Entries must be in English
- You must identify teams, departments, or companies participated in your submission

Selection Criteria

Submissions will be evaluated under four and five criteria, respectively. Each criterion has a different weight, as follows:

	Weight
Evidence of safe execution	15%
Business Impact	40%
Innovation	20%
Repeatability	15%
Teamwork and integration	10%
