

EUG team hosting “Egypt Opens New Exploration Opportunities” webinar

On Tuesday 31st of January 2023 , EUG Team have hosted the first webinar for “Egypt Opens New Exploration Opportunities” series to shed light on EGAS 2022 Bid Round for Mediterranean & Nile Delta.

The session was presented by Geo.Mohamed Radwan EUG Project Manager - MoP, Nehal Abdel Gawad-, Mohamed Elmadawy, and it was moderated by Ahmed Atif EUG Project Manager – SLB. The presenters walked the attendees through EGAS 2022 bid round blocks, the high-value opportunities that Egypt currently has on offer while highlighting the existing geological blocks and their potential, providing insights into exciting exploration opportunities and potentials in Egypt’s Mediterranean Sea and Nile Delta basins.
